***DESIGNER'S NOTE:**
In absence of having received print specifications, graphics have been designed assuming the printer:

- must print on a 6-station press (5 color + varnish)
- can successfully print 4-color process
- Semglee icon
- PMS 306 (Mylan blue), 75c / Cm / 5y / 0k
- PMS 352 (red cautionary copy), 6c / 68m / 63y / 0k

• can hold registration between design elements composed of different colors

• will use a fine linescreen (as results in a higher quality printed product, successfully print process builds, maintain legibility of small copy, etc)

NOTE: If capability exists to print on an 8-color press (marketing preference), please contact Mylan Marketing so that some process builds can be reassigned as spot colors.
