30 Sterile Single-Use Containers
0.4 mL each

Cellufresh®
Lubricant Eye Drops

LONG-LASTING RELIEF PLUS PROTECTION.
CELLUFRESH® Lubricant Eye Drops provides immediate, prolonged relief plus protection from dryness and irritation. CELLUFRESH® does more than just soothe and relieve your eyes. It also protects against further irritation with its unique prolonged lubricant, CMC. CELLUFRESH® Lubricant Eye Drops is preservative-free to eliminate the potential irritation to your eyes caused by the preservatives found in some bottled eye drops. Safe to use as often as necessary, CELLUFRESH® provides 24-hour comfort for dry, irritated eyes.

Lot No. (กรณีมีข้อสงสัย):

Exp. Date (วันหมดอายุ):

Cellufresh®
Lubricant Eye Drops

EACH mL CONTAINS: Carboxymethylcellulose sodium (CMC) 0.5%, calcium chloride, magnesium chloride, potassium chloride, purified water, sodium chloride and sodium lactate. May also contain hydrochloric acid and/or sodium hydroxide to adjust pH.
INDICATIONS: For the temporary relief of burning, irritation and discomfort due to dryness of the eye or exposure to wind or sun. May be used as a protectant against further irritation.
WARNINGS:
For external use only.
To avoid contamination, do not touch tip of container to any surface. Do not reuse. Once opened, discard. Do not touch unit-dose tip to eye.
Stop use and ask a doctor if you experience eye pain, changes in vision, continued redness or irritation of the eye, or if the condition worsens or persists for more than 72 hours.
Keep out of the reach of children. If swallowed, get medical help or contact a Poison Control Center right away.
Do not use in case of hypersensitivity to one or more of the ingredients. When used as directed, no significant side effects are anticipated. Ocular irritation and allergic reactions have been reported occasionally.
DIRECTIONS: To open, COMPLETELY TWIST OFF TAB. Do not pull off. Instill 1 or 2 drops in the affected eye(s) as needed and discard container.
Other information
Use only if single-use container is intact. Do not use if solution changes color or becomes cloudy. RETAIN THIS CARTON FOR FUTURE REFERENCE.
Store between 15°- 25°C.

Cellufresh®
Lubricant Eye Drops

How to use:
To open,
COMPLETELY TWIST
OFF TAB, do not pull
off. Instill 1 or 2 drops
in the affected eye(s)
and discard container.

Many things can make your eyes feel dry, scratchy, burning, or uncomfortable. Air conditioners or heaters, computer use, reading, some medications, wind, or a reduction in the amount of tears your body produces - tears which help to lubricate and nourish your eyes. CELLUFRESH® Lubricant Eye Drops restores the moisture your eyes crave with a special formula that has some of the same healthy qualities as natural tears.
Since CELLUFRESH® is preservative-free, it also avoids the potential irritation to your eyes caused by the preservatives found in bottled eye drops. So you can apply CELLUFRESH® Lubricant Eye Drops as often as necessary without the risk of preservative-induced irritation.
